Gospel Meditation August 7th, 19th Sunday in Ordinary Time

St. Thomas Aquinas reminds us that, "Three things are necessary for the salvation of man: to know what he ought to believe, to know what he ought to desire, and to know what he ought to do." Everyone is called to work toward their salvation, which is ultimately union with God. Those who take this call seriously must embark upon a journey inward to the deepest recesses of their soul. In the adventure and wonder of that journey, we work out the details of our union with our Beloved. We cling to what we need to believe, remain firm in what we truly desire, and are guided by what we know we have to do. Once we know that our goal is to be one with our Creator, life becomes an exciting expedition to pursue that end. We make necessary preparations, follow the map, and remain on course.
