Each family member is encouraged to complete a separate sheet as we all have individual talents and interests. Your information will be forwarded to the appropriate person(s).

If you are currently participating in a ministry and intend to continue, please check the box to indicate your continued interest. Feel free to write in any areas of interest that may not be listed. We will provide training opportunities for all who may need it.

Many people sharing their time and talent results in reducing demands on some as well as providing the opportunities to make new friends.
